SIGFRID ALJHEAN R. ALPIEDAM

BACHELOR OF SCIENCE IN COMPUTER ENGINEERING

✉ alpiedamsigfrid@gmail.com | 📞 0966-273-5720 | 📍 Calauan, Laguna

SKILLS

- Troubleshooting
- OS Installation & Reformatting System Upgrades
- Cable Management
- Server Management and Network Set up
- 2D and 3D Modeling using Cad

- Python *(Proficient)*
- HTML *(Proficient)*
- CSS *(Proficient)*
- Django Framework *(Proficient)*
- Git *(Beginner)*
- Wordpress *(Beginner)*
- Debugging *(Proficient)*

- Self-Oriented *(Advance)*
- Problem Solving *(Advance)*
- Team Collaboration *(Proficient)*
- Adaptability *(Expert)*
- Flexible
- Time Management

WORK EXPERIENCES

Golden Deer Enterprises
March 2021 – June 2024
Part-Time Office Assistant
Brgy. Masiit, Calauan, Laguna

Freelance IT Technician
May 2022 - Present
Built and configured custom desktop PCs for gaming and productivity, diagnosed and resolved hardware/software issues, including BSODs, boot failures, and driver conflicts and provided technical support and troubleshooting for Windows systems to improve performance and stability.

Freelance Full-Stack Developer
November 2022 - Present
Developed and deployed web applications and software solutions for clients. Built responsive user interfaces and efficient backend systems. Delivered custom features, bug fixes, and performance optimizations across multiple platforms.
Notable projects:
• Developed a full-featured e-commerce website using the Django framework
• Designed and programmed a custom application for a design project using python.
